PROMISE

For grown-ups: the story in five sentences

God told Noah to build a big boat called an ark, and Noah did everything God asked. Noah's family and two of every kind of animal went inside before the flood came. The rain fell and the water rose, but everyone in the ark was kept safe. When the water went down, Noah sent out a dove, and later they all came out onto dry land. God put a rainbow in the sky as a sign of His promise.
